OFFICE OF LEGISLATIVE COUNSEL

Monday - 25 September 1967

25X1 1. [] Talked with Robert Michaels, House Appropriations Committee staff, regarding the two Government Employees' Exchange articles. These have been shown to Chairman Mahon and Representative Lipscomb. The Chairman's view was that these should be ignored.

[]

25X1 2. [] Talked with William Woodruff, Senate Appropriations Committee staff, who indicated he did not feel that he could concern Senator Russell with the two Government Employees' Exchange articles in view of the many other urgent matters which stand much higher on the priority list.

25X1 3. [] Reviewed with William Darden, Senate Armed Services Committee staff, some correspondence to Senator Russell. He will prepare an appropriate response for Senator Russell and requested that we pick up the material tomorrow so that we could check the facts.

25X1 4. [] Talked with Al Westphal, House Foreign Affairs Committee staff, on the Gross amendment to the Mutual Security bill and got some background on it. Westphal said he would welcome any suggestions we had with some helpful language which might be included in the report.

25X1 5. [] Colonel Garcia, staff of the House Armed Services Special Investigations Subcommittee, called indicating that Representative Hardy very much wished the Director to appear this Thursday, 28 September, adding that he was under the impression that notices had already gone out. I indicated that I did not think we could possibly make this since this briefing had to be most carefully prepared. I stated, however, that I would check this and advise.
